

VIII Workshop on COMPUTATIONAL DATA ANALYSIS AND NUMERICAL METHODS

October,
13-15/2022

Organization

Polytechnic Institute of Tomar, Portugal
Department of Mathematics and Physics

<http://www.wcdanm.ipt.pt/2022/>

Certificate

We certify that **Carlos A. Coelho** from **Mathematics Department** and **NOVA Math (Center for Mathematics and Applications)**, **NOVA School of Science and Technology**, **NOVA University of Lisbon**, **Portugal**, actively participated at the **VIII Workshop on Computational Data Analysis and Numerical Methods (VIII WCDANM)**, held online (videoconference) in **October 13-15, 2022**, organized by the **Polytechnic Institute of Tomar**, **Portugal**, as an **Invited Speaker**, giving a lecture entitled: **A Likelihood Ratio Test for one-way MANOVA which works for both the low and high-dimensional settings**.

Chair of the Executive Committee:

Luís Miguel Grilo

Polytechnic Institute of Tomar & Open University
NOVA Math (Center for Mathematics and Applications), Portugal
